

GLOBAL INDIAN INTERNATIONAL SCHOOL, NOIDA

and **FIZ Robotic Solutions**
PRESENTS

INTER-SCHOOL NATIONAL ENTREPRENEURSHIP FEST 2.0

"Entrepreneurship is about creating change, not just companies."

– Mark Zuckerberg

Dear Entrepreneurs-in-the-Making

We are thrilled to extend a warm welcome to each and every one of you joining us for this exhilarating journey of innovation, creativity, and entrepreneurship. This competition is not just a platform; it's a springboard for your dreams and ideas to take flight.

In the world of entrepreneurship, every idea holds the potential to change lives, communities, and industries. It's about turning the spark of creativity into a blazing trail of success. And that's precisely what we're here to support and celebrate.

Throughout this competition, you'll embark on a transformative adventure, pushing boundaries, overcoming challenges, and refining your vision. You'll have the opportunity to collaborate with like-minded peers, learn from seasoned mentors, and gain insights that can shape your entrepreneurial journey.

So, seize this opportunity with zeal and vigour. Embrace the journey, cherish the learning, and revel in the joy of creating something truly extraordinary. Your ideas have the power to shape the future, and we can't wait to see them come to life.

Let's embark on this exciting adventure together. Welcome to the Inter-School National Entrepreneurship Fest 2.0!

WELCOME TO THE INTER-SCHOOL NATIONAL ENTREPRENEURSHIP FEST 2.0!

INTER-SCHOOL NATIONAL ENTREPRENEURSHIP FEST 2.0!

We are excited to present the Inter-School National Entrepreneurship Fest 2.0, a platform designed to nurture creativity, innovation, and entrepreneurial spirit among students. This competition aims to inspire young minds to think outside the box, tackle real-world challenges, and develop practical solutions.

The goal of this competition is to foster entrepreneurship and innovation among students, and the organisers are committed to providing a fair and educational experience for all participants.

JUDGING PARAMETER: 100 POINTS

Problem Solving Nature of the Idea	20 Points
Originality of the Idea	20 Points
Idea Presentation	20 Points
SWOT Analysis	20 Points
Implementation Feasibility	20 Points

PROBLEM SOLVING NATURE OF THE IDEA (20 POINTS):

- In this category, the judges will evaluate how effectively your idea addresses a real-world problem or need.
- To score well, identify a significant problem or challenge and demonstrate a clear understanding of its nuances.
- Present a well-structured solution that is practical, relevant, and efficient.
- Highlight how your idea can make a positive impact, whether it's improving lives, saving resources, or creating opportunities.

ORIGINALITY OF THE IDEA (20 POINTS):

- Originality is crucial for standing out in the competition. Judges will assess how unique and innovative your idea is.
- Avoid common, clichéd solutions and strive to offer a fresh perspective on the problem.
- Provide evidence of research and ideation to support your claim of originality.
- Showcase how your idea builds on existing concepts or technologies in a novel way.

IDEA PRESENTATION (20 POINTS):

- An idea may be excellent, but if it's not presented effectively, it may not be fully appreciated.
- Focus on clear communication, organisation, and visual aids (if applicable).
- Use a compelling narrative or storytelling approach to engage the judges.
- Make sure your idea is easy to understand, with well-structured arguments and visuals.

SWOT ANALYSIS (20 POINTS):

- A SWOT (Strengths, Weaknesses, Opportunities, Threats) analysis shows that you've thoroughly considered your idea's strategic aspects.
- Identify the strengths and weaknesses of your idea and be honest about them.
- Showcase opportunities for growth and potential threats that may arise.
- Discuss how you plan to leverage strengths, mitigate weaknesses, seize opportunities, and tackle threats.

IMPLEMENTATION FEASIBILITY (20 POINTS):

- Judges want to know if your idea can realistically be put into action.
- Provide a detailed plan for implementation, including timelines, resource requirements, and potential obstacles.
- Consider scalability, sustainability, and any legal or ethical considerations.
- Show that you've thought about the practical steps required to turn your idea into reality.

“

"The biggest risk is not taking any risk. In a world that's changing really quickly, the only strategy that is guaranteed to fail is not taking risks."

– Mark Zuckerberg

Once again, we extend our warmest invitation to all visionary entrepreneurs to be part of this transformative journey. Together, let's shape the landscape of innovation, drive economic growth, and leave an indelible mark on the nation.

Join us at the Inter School National Entrepreneurship Fest and be the catalyst for a brighter, more prosperous future. Together, let's redefine what's possible and pave the way for a thriving entrepreneurial ecosystem.
